

Vaibhavi Foundation, Bramhapuri Dist.Chandrapur Annual Report 2022-2023

Introduction

Vaibhavi Foundation, Bramhapuri Dist.Chandrapur Maharashtra
Running Vaibhavi De-Addiction Center Near H.P. Petrol Pump North Goa. head
quarter Bramhapuri from 2020 organization various many good activities
Bardez, North Goa.

In the year of 2020-2021 various activates are successfully taken by the
institution. In this area this society has registered under Indian society act
21st of 1860 MH/0000159/2018 Chandrapur, this is all India organization.

The main object or motto of the society is during work for uplifting the
poor family their lives on "No Loss No Profit" the main problems of this area
is that the most quantity of peoples are uneducated and not conscious about
their problems. How to give the list of them and try to uplifting their lives., this
is the main motto, target. Object of our society. Only for the sake of this our
society has taken more useful program for them for progressive and
prosperous live.

In the academic year 2020-2021 our society has taken many programs
in particulary area. Sensitization of school/college student for old age person
programme At. Bardez, SHG Programme, youth game & sports camp,
De-Addication treatment and Guidance Camp, Ayurvedik Guidance Camp,
Homeopathic Camp, Day care center for old person with Dementia
At. Bardez North Goa are seriously taken by our society.

In De-Addiction Center admitted in 2020-2021 in the area many alcohol
addicted person are admitted our organization many programme, camp taken
in the nearest village and our worker are go to field and told for addicted
persons taken benefits from De-Addiction Center.

1) Sensitization of school/college student for old age person

In our society the next generation want to progress as fact as and our culture is combine family but now a days they to live separate from family they want to live couple and their family.

So our society took the programme to sanitation of school/college student for old age person programme At. Bardez North Goa our aim that, how took the time our older person i.e. Mother, Father etc. and now to take enjoy your life.

Our societies member and staff guidance to the students of school/college and this programme many student presents.

2) De-Addiction Treatment and Guidance Camp

Our country's future depends our young generation so we said proudly that our country is great. But in our country there is big problem of addiction this is big disease that our generation faced. The future of our country is totally depend on young generation. But our young generation caught big habits such as chewing tobacco, guthkha and smoking etc.

So our society started De-addiction treatment and Guidance camp. In this camp we treated addicts patient free of cost and gave them all facilities to those patient who are addicted. So our society doing great job towards addicted patients. These all facilities given by our society free of cost. In this camp our counselor gave him counseling to patients.

3) Ayurved Guidance Camp

In our holly books the importance of ayurveda to human is very useful. With ayurvedic treatment. Now days the ayurvedic system is neglected by the people because tey want quick relief. In the past period india knows the importance of the ayurvedic medicine. Ayurvedic have been on of most important source for the medicine. Ayurvedic medicine is also useful for perfumery, favorites, soap and cosmetics, ingredients. Most of them farmer citizens and villagers knows the importance of ayurvedic medicine that is why our society has taken guidance camp At. Bardez North Goa.

4) Homeopathic Guidance Camp

The number of people comes to know the side effect of allopathic. They know that all path gives fast relief. But there are always side effects of it. Homeopathic treatment is very easily treated. So our institution took the camp At. Bardez North Goa.

In this camp Mrs. Karuna V. Bodele and Mrs. Manisha M. Dongare guided to people about the homeopathic treatment. There are 69 patient treated by Doctors. Near about 70-80 people are participated in this camp and our doctors said that some people are attracted towards the homeopathic treatment.

5) Day Care center for Old Person with Dementia

In our society there are many old age person wandering due to no place for leaving and eating. So our society start old age home At. Bardez Noth Goa. In this center our society giving all faculty to old age person like as food, cloths, and shelter arrangement & medical facility free of cost.

6) Ten Bedded Hospital

To serve those people who are not able to come private hospital because they are very costly. So our society started hospital. In this hospital our doctor treated freely those patients needy. Our staff member is very careful about their services. Our society newly started Ten Bedded hospital at Bardez Noth Goa. in this hospital our medical officer and staff members giving services to other people free of cost.

All members of our organization, all members of managing committee of our organization, players, children's farmers, students, and civilians giving valuable co operation to us run our organization smoothly. So we would like to give thanks to such co-operations.

All the officers of the center & state government also giving us valuable guidance & kind co-operation. So we would like to give thanks to all these officers.
